

Key aspects of managing senior engineers

Katja Lotz

No need for that.

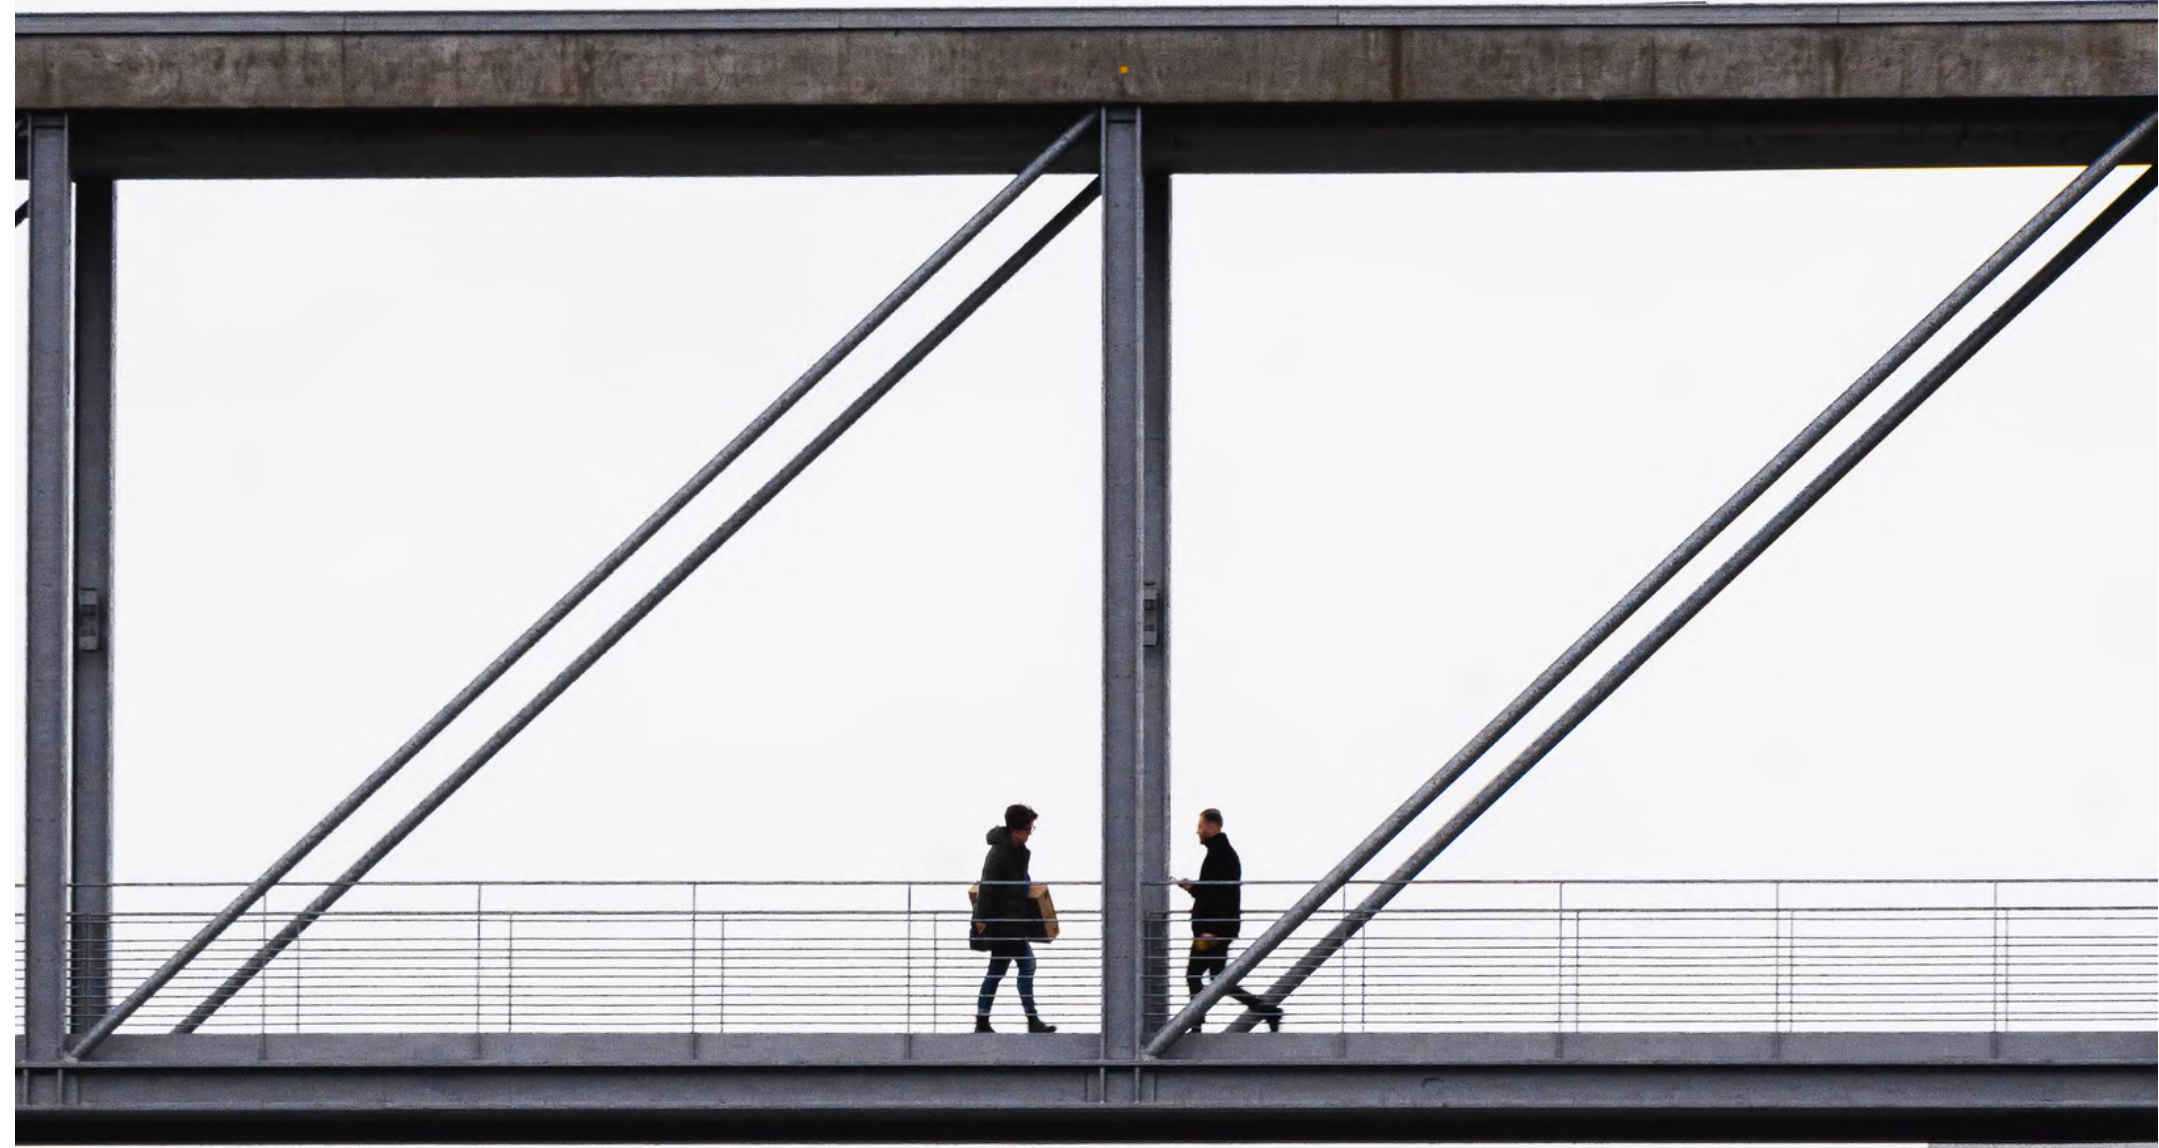

Hi, I'm Katja!

Engineering Manager
Epidemic Sound

**We're in this
together**

It all starts with trust

Who are senior engineers?

Embrace the change.

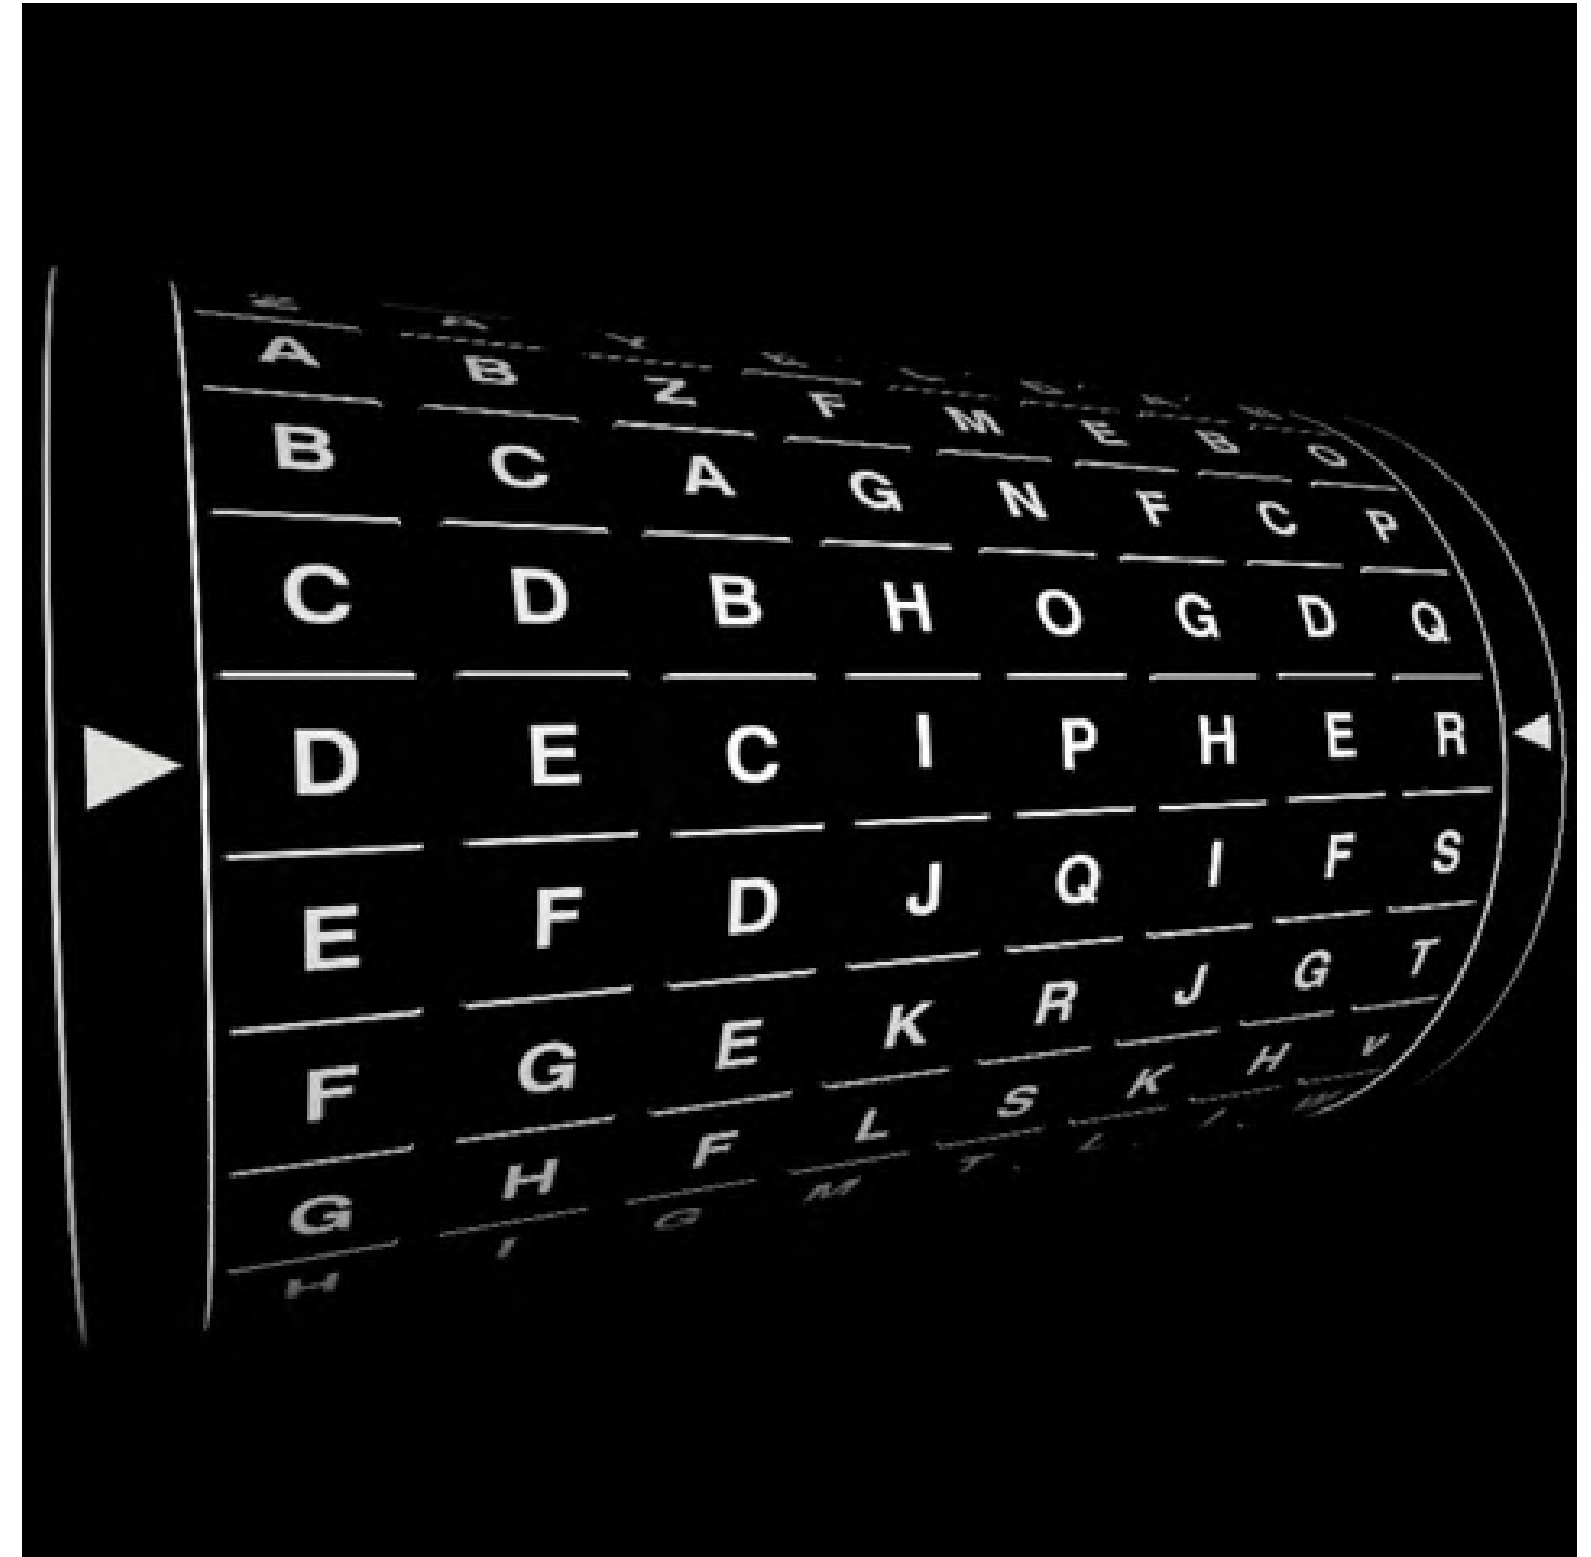

1

Nurture the multiplier effect

2

Decipher organizational complexity

3

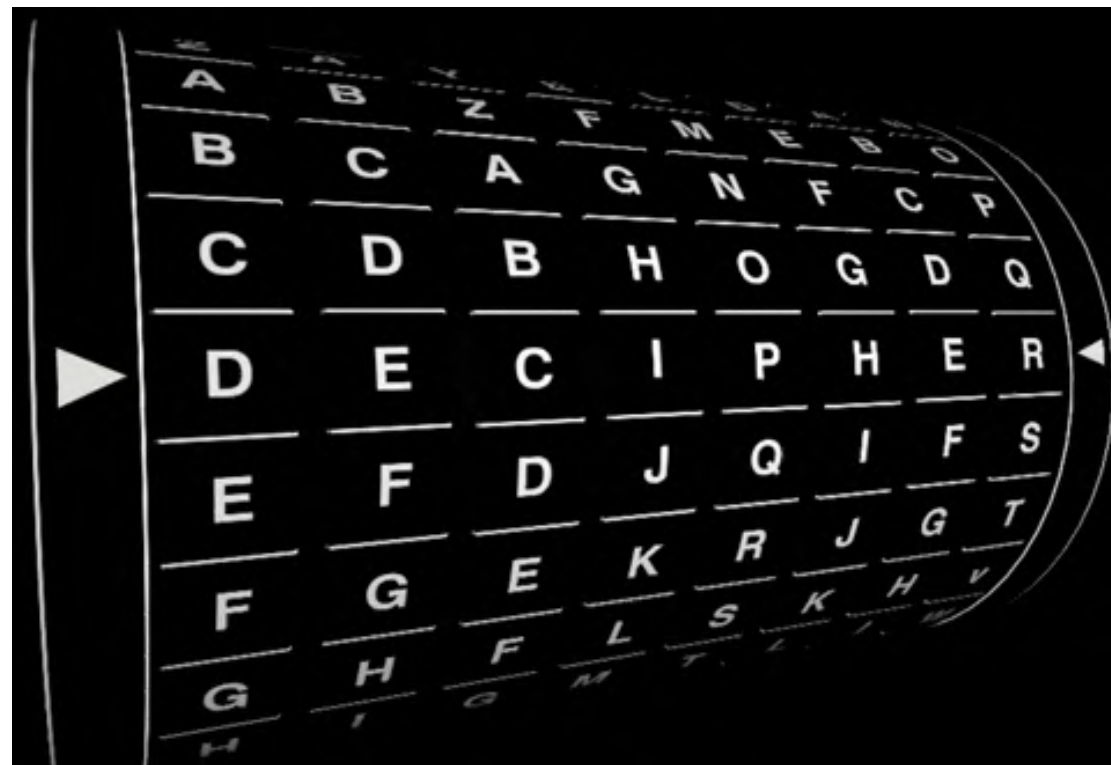

Provide opportunities

Nurture the multiplier effect

Decipher organizational complexity

Provide opportunities

You know the power it has.

Thank you!
