**Use
Systems
Thinking
to drive
your
focus**

**What is Systems
Thinking?**

Systems thinking is a way of making sense of the complexity of the world by looking at it in terms of wholes and relationships rather than by splitting it down into its parts.

Wikipedia

W. Deming

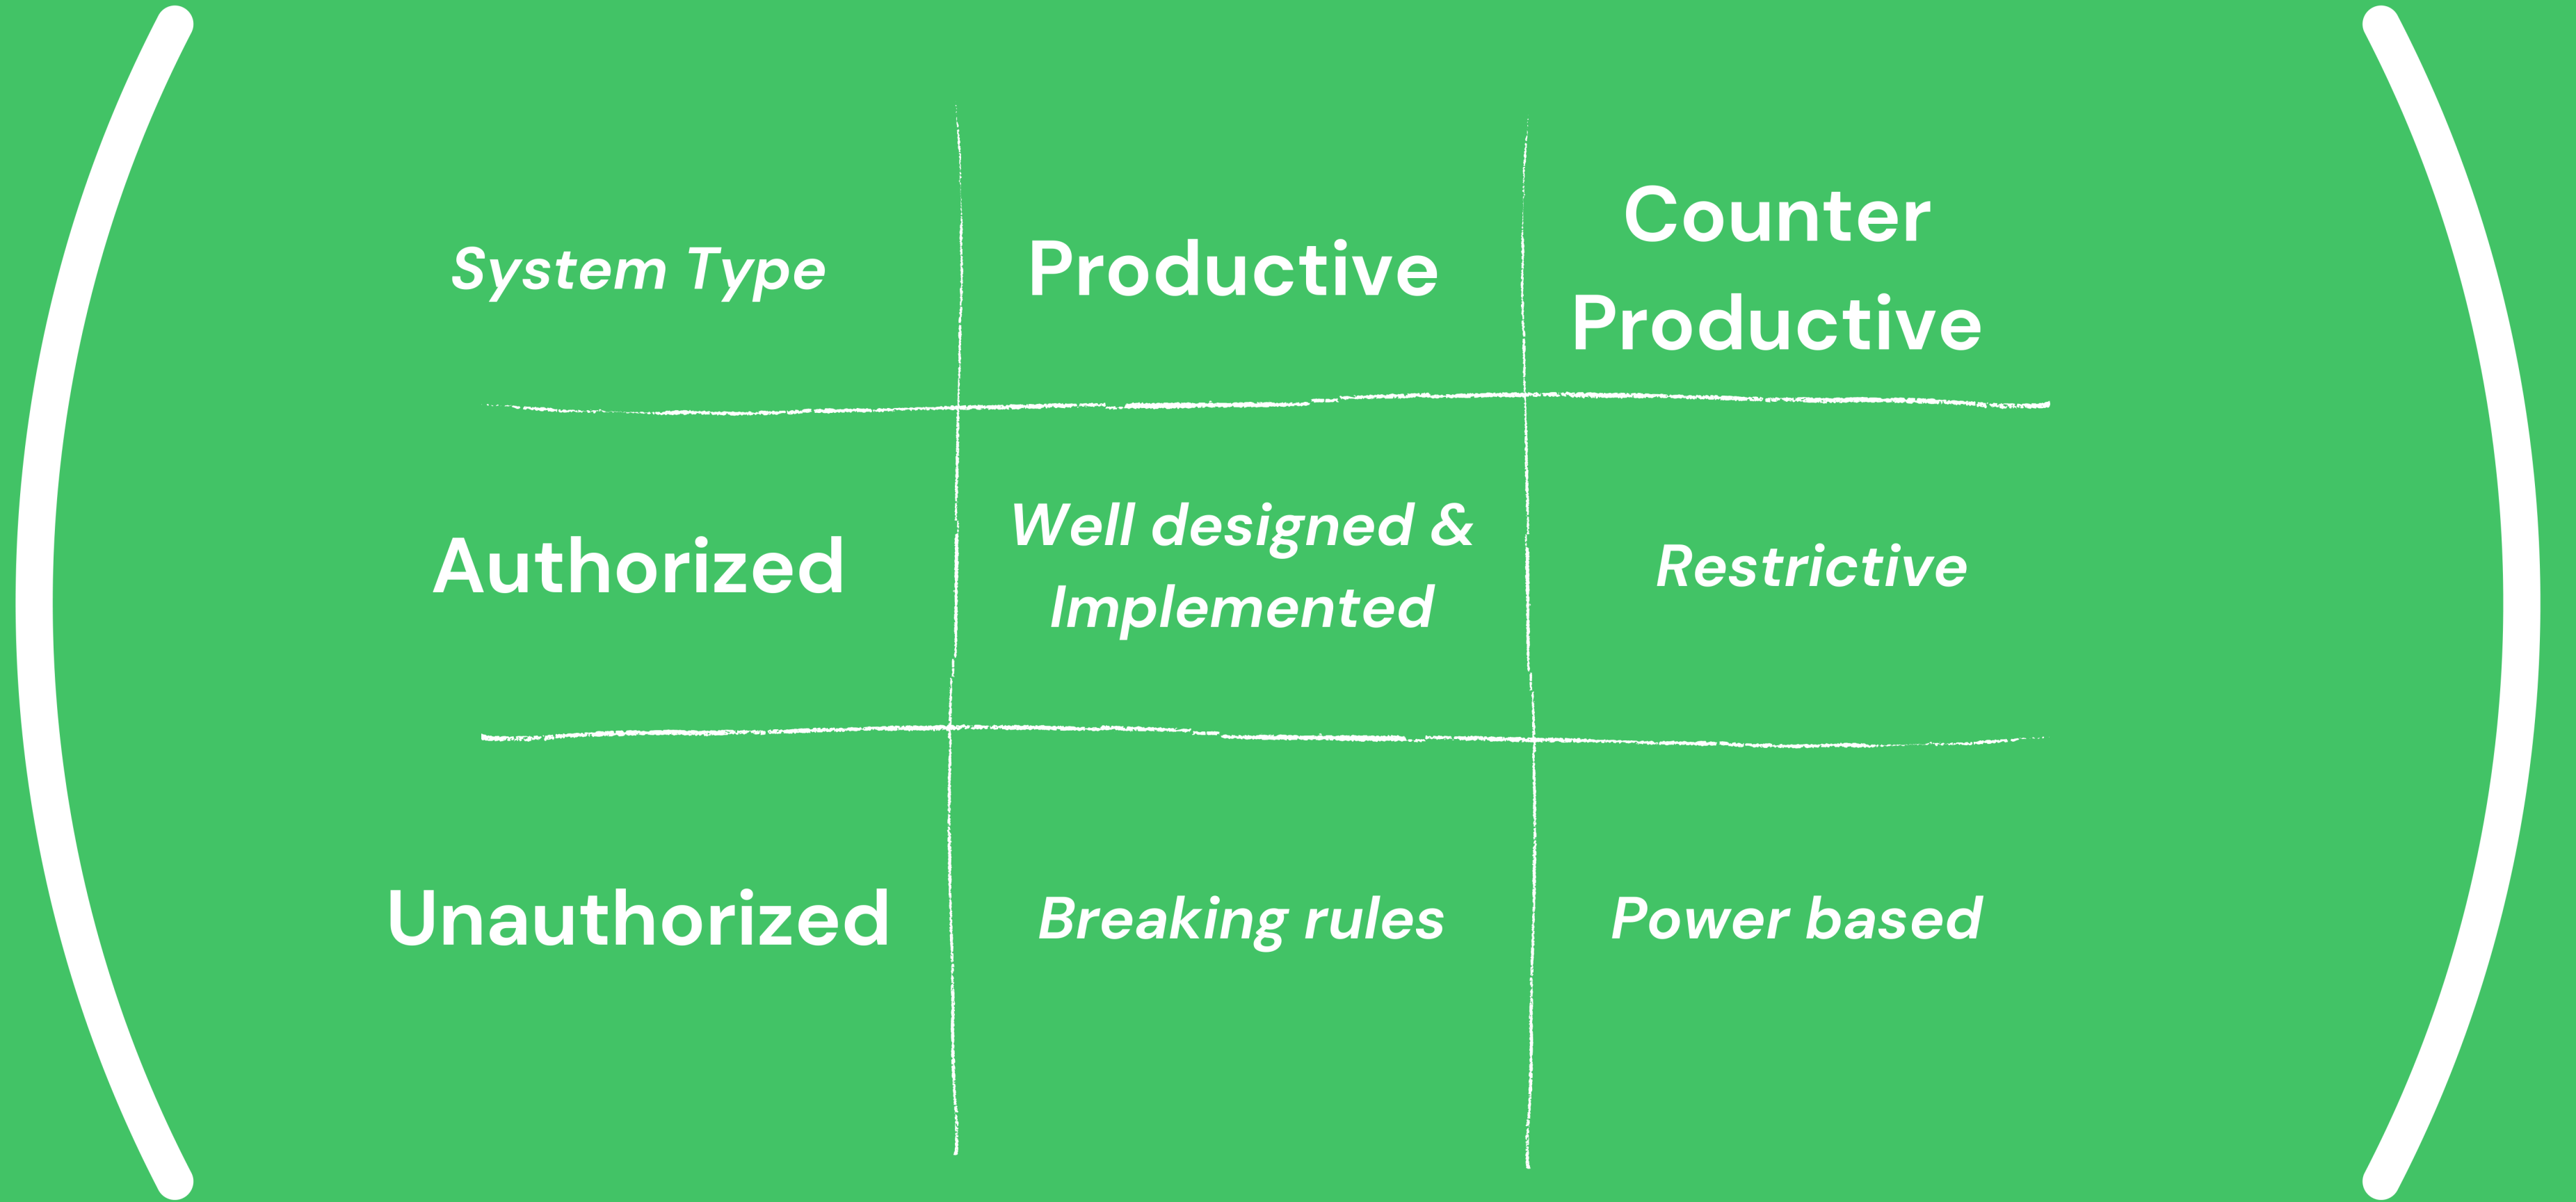

W. Deming

*"A bad
system will
beat a good
person
every time"*

W. Deming

*"94% of
problems in
business
are system
driven"*
