7 Strategies

Strategy #1 Top Down Support

Strategy #1 Top Down Support

Strategy #2 Write the plan, get feedback

Key Questions:

1. What are our policies?
2. Who owns support?
3. What technology is ok to use?
4. What are our cost considerations?

Strategy #2 Write the plan, get feedback

Key Questions:

1. What are our policies?
2. Who owns support?
3. What technology is ok to use?
4. What are our cost considerations?

Strategy #2 Write the plan, get feedback

Key Questions:

1. What are our policies?
2. Who owns support?
3. What technology is ok to use?
4. What are our cost considerations?

RACI Model

- Responsible
- Accountable
- Consulted
- Informed

Strategy #3 Widen the Coalition

RACI Model

- **R**esponsible
- **A**ccountable
- **C**onsulted
- **I**nformed
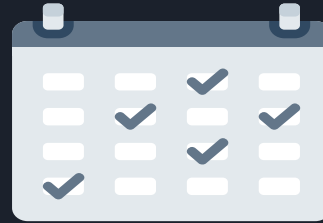

Strategy #4 Divide and Conquer

Migration Order

1. Backups
2. Platform Compute
3. Platform Data
4. Migrate Apps
5. Orchestration

Strategy #4 Divide and Conquer

Migration Order

1. Backups
2. Platform Compute
3. Platform Data
4. Migrate Apps
5. Orchestration

Strategy #4 Divide and Conquer

Migration Order

1. Backups
2. Platform Compute
3. Platform Data
4. Migrate Apps
5. Orchestration

Strategy #4 Divide and Conquer

Migration Order

1. Backups
2. Platform Compute
3. Platform Data
4. Migrate Apps
5. Orchestration
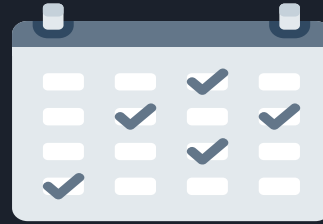

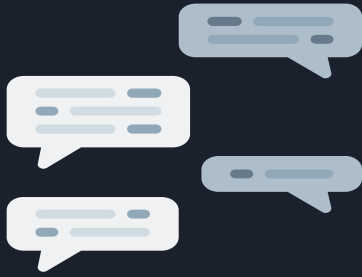

Strategy #5 Communicate, but do it well.

Strategy #5 Communicate, but do it well.

Strategy #5 Communicate, but do it well.

Strategy #6 Mix it up

- Lift and shift: 20%
- Rewrite: 30%
- Buy: 20%
- Delete: 30%

Strategy #6 Mix it up

- Lift and shift: 20%
- Rewrite: 30%
- Buy: 20%
- Delete: 30%

Strategy #7 Celebrate and Reflect

Celebrate wins
when they happen.

Learn & Grow from the
experience.

Summary

1. Top down support
2. Write down the plan, Get Feedback
3. Widen the Coalition
4. Divide and Conquer
5. Communicate, but do it well
6. Mix it up
7. Celebrate and Reflect
